HOSPICE SERENITY HOUSE

# Donor Wall

An engraved plaque on the Hospice Serenity House Donor Wall is a meaningful and lasting tribute to a loved one who has passed away.

Each memorial gift to the Mahaska Health Foundation, designated to benefit the Hospice Serenity House, conveys love and respect for a bereaved family. It also shows a desire to see the memory of a loved one live on through the vital work happening at the Serenity House.

## Memorial Donations

Families choosing to designate memorials for their loved one to benefit the Hospice Serenity

House have several options for gathering donations. Friends and family can contribute by sending their donation to the family or the funeral home. They can also mail their donation directly to the Foundation or donate online at [mahaskahealth.org](http://mahaskahealth.org).

The Foundation will notify the designated family member of any direct memorial donation made in your loved one's name.

## Plaques on Donor Wall

Once a memorial reaches **\$1,000**, the Foundation will work with the Serenity House staff to contact the designated family member and discuss a plaque for the donor wall. The Foundation Director will collaborate with the family to

help design their donor wall plaque. There is no right or wrong way to have a plaque on the donor wall. Some have artwork to convey something special regarding their loved one while others prefer to list just the name. The designated family member will be asked to approve the final draft before it is engraved for placement on the donor wall.

For donations of **\$5,000** and more, donor wall options will be discussed with the family.

## You can mail your tax-deductible gift or memorials to:
